Before Renovation

ADOPT YOUR HOSTEL ROOM @ USM

usmalumni.usm.my

USM has initiated a program called Adopt Your Hostel Room@USM in the efforts of gradually renovating hostel rooms which are considerably in need of an upgrade. The aim of this program is to upgrade the hostel rooms in order to create a more conducive environment for all students.

This program gives the opportunity for everyone to take part in helping other future graduates of USM and at the same time fostering and strengthening bonds with one another. Graduates will be able to connect to you as "the contributor" for their room as your name will be printed on the room you adopt.

For a donation worth RM5000 you are entitled in sponsoring shared rooms. Whereas donations worth RM10,000 you are entitled in sponsoring single rooms. Donations can be made individually or by groups. Funds will be used to refurbish and maintain the specified rooms. Any excess collection will be added to the Student's Welfare Fund in the future.

Please join us! With your donation, we're one step closer to provide better infrastructure in USM.
